**Abstract :** Pride and Prejudice contains one of the most cherished love stories in English literature: the courtship between Darcy and Elizabeth. As in any good love story, the lovers must elude and overcome numerous stumbling blocks, beginning with the tensions caused by the lovers' own personal qualities. Elizabeth's pride makes her misjudge Darcy on the basis of a poor first impression, while Darcy's prejudice against Elizabeth's poor social standing blinds him, for a time, to her many virtues. (Of course, one could also say that Elizabeth is guilty of prejudice and Darcy of pride—the title cuts both ways.) Austen, meanwhile, poses countless smaller obstacles to the realization of the love between Elizabeth and Darcy, including Lady Catherine's attempt to control her nephew, Miss Bingley's snobbery, Mrs. Bennet's idiocy, and Wickham's deceit. In each case, anxieties about social connections, or the desire for better social connections, interfere with the workings of love. Darcy and Elizabeth's realization of a mutual and tender love seems to imply that Austen views love as something independent of these social forces, as something that can be captured if only an individual is able to escape the warping effects of hierarchical society. Austen does sound some more realist (or, one could say, cynical) notes about love, using the character of Charlotte Lucas, who marries the buffoon Mr. Collins for his money, to demonstrate that the heart does not always dictate marriage. Yet with her central characters, Austen suggests that true love is a force separate from society and one that can conquer even the most difficult of circumstances.

### Reputation

Pride and Prejudice depicts a society in which a woman's reputation is of the utmost importance. A woman is expected to behave in certain ways. Stepping outside the social norms makes her vulnerable to ostracism. This theme appears in the novel, when Elizabeth walks to Nether field and arrives with muddy skirts, to the shock of the reputation-conscious Miss Bingley and her friends. At other points, the ill-mannered, ridiculous behavior of Mrs.
